

Imagine that you are doing a project on **factors that affect students' motivation in education in Zetland**. You have found some data on the subject — the results of the opinion polls (see the table below).

Comment on the data in the table and give your opinion on the subject of the project.

What factors motivate you to study?	Number of respondents (%)
Subject	37
Teacher's behaviour and personality	36
Peer relationships	18
Learning environment	7
Assessment	2

Write 200-250 words.

Use the following plan:

- make an opening statement on the subject of the project
- select and report 2-3 facts
- make 1-2 comparisons where relevant and give your comments
- outline a problem that can arise with lack of motivation in education and suggest a way of solving it
- conclude by giving your opinion on the importance of motivation in education
